Fall 2016

The transfer students of Fall 2016 included 236 students who entered the University in Summer 2016 or Fall 2016. Demographically, sixty-eight percent (161) of the new transfer students are female, and sixty-six percent (157) are from racial or ethnic minority groups. Students with a Baptist religious affiliation make up twenty-one percent (49) of the group.

Among students who reported a SAT or ACT score, the transfer class had a mean score of 989 for the SAT and 21 for the ACT examination (less than 20% of the transfers had a standardized test score). Forty-three percent of students declared a major in Nursing, while 8.5% declared Biology and 4.2% declared Psychology.

Fall 2015

Test Score Calculations

For students with both an SAT and ACT score, both scores are reported. For students with multiple SAT test scores, the highest verbal and math sub-scores (from any test date) are added to get the student's final SAT score.

Prior to Fall 2007, SAT scores were reported using Recruitment PLUS. Recruitment PLUS converted all ACT scores to an equivalent SAT score, and included the converted scores in the final mean.

Note:
 1. Although submission of entrance test scores generally is required in the admission process, in each entering class there were a small number of students who were admitted without entrance test scores. Some students take both the SAT and ACT. Therefore, the number of SAT scores plus the number of ACT scores does not equal the total class size.
